Heart-Shaped Coin Boxes Are Readied

Distribution of 25 plastic coin boxes, designed in the shape of a red heart and featuring the campaign slogan: "Help Your Heart Fund—Help Your Heart," will be begun this week by the Holt County Heart association in connection with the 1955 heart fund campaign.

The boxes are to be displayed in the city's principal public places for contributions. They will remain in position during the month of February.

Commenting on the effectiveness, the heart fund chairman, Dr. Robert Langdon of O'Neill, said:

"We are confident that we are going to receive the fullest cooperation from local management, and we are also certain that the 'coin box' yield on this occasion will far exceed that of any previous year."

"I should like to point out that the receptacles receive not only coins but bills as well, and that they are ever-present reminders that when we open our purses we should also open our hearts."
