

# Nostalgic 'Silver Coin' Setting for Talent Show

The "Dime Time Revue" to be staged in O'Neill Monday night, February 14, has the earmarks of a "terrific" hometown talent show. The setting is a vacant building full of nostalgic memories of its gay past. "The Silver Coin" had been a fabulous music hall in yesteryear.

There will be flashbacks of the famous chautauqua circuit, the can-can, the old piano; also the flapper and modern eras. George Hammond will be the narrator.

Richard Smithson, O'Neill public school music instructor, is the producer. A dress rehearsal is

lection of \$1,774.26.

"This figure is substantially below the 1953 and 1954 totals," according to Mrs. Noma Hall of Stuart, county fund chairman.

Mrs. Hall explained: "The fund-raising campaign in Holt is going well. Most of the larger townships are averaging one hundred dollars each.

"I would like to have reports in by February 15 so the Holt results can be sent to the district representative.

"If additional contributions come in later, you can forward them to me, Mrs. Noma F. Hall, at Stuart, and proper credit to you and your community will be given."

The total amount raised in Holt in 1953 was \$3,006.81 and in 1954 the amount was \$3,002.61.

A number of events are scheduled in O'Neill during the next few days to swell the coffers.

**Depend on Our JOHN DEERE Service for Quality Service... Economically Done!**

Hokus-pokus or magic wands won't fix tractors and other farm implements. It's "know-how" that gets the job done right.

You can be sure of getting quality service at our shop. Each of our mechanics is experienced in servicing John Deere Tractors and Equipment. But that's not enough! They're required to attend frequent schools where they're taught servicing techniques recommended by the engineers who design John Deere Equipment.

What does this mean to you? Plenty! It means service work on your John Deere Equipment will be done quickly and efficiently. Only the necessary work will be done and it will be done at the lowest possible cost.

Call us for a free service estimate; we'll be glad to talk with you . . . anytime.
