**GET YOUR PAYLOAD THROUGH  
WHEN OTHERS FAIL**

**With a WILLYS 4-Wheel Drive TRUCK**

**NOW 53% MORE POWER**

**The Truck that goes through sand, mud, snow, ice, over rough open country or up 60% grades**

Performance under severe difficulties — performance when you have to get through — that is the known performance the Willys 4-Wheel-Drive Truck can deliver. On smooth roads, under normal weather conditions this Truck operates economically on 2-Wheel-Drive, just as does any ordinary truck. When heavy snow blocks highways, or you have to take off over rough open country or mud-heavy roads that bog down other trucks, you can shift instantly into 4-Wheel-Drive—and get through. Yes, a Willys 4-Wheel-Drive will get you through when others fail.

The 4-Wheel-Drive principle, made world famous by the 'Jeep', with power delivered equally to each one of the four wheels, distinguishes this truck from any vehicle in its weight class.

Powered by the great 6 cylinder 115 H.P. Super-Hurricane engine, this sturdy truck climbs up to 60% grades with full payload.

If your business demands getting your payloads through without fail, see the Willys truck at Willys dealers today. WILLYS MOTORS, INC., Toledo 1, Ohio.
