# **Notice to Taxpayers**

The job of assessing property in Holt Co. will get started Thursday, March 10th. The Nebraska Laws place full responsibility on the taxpayer for seeing that his property is listed for taxation. The Law provides a penalty of 50% of valuation for failure to list, refusal to list, to list falsely or to transfer property for the purpose of evading taxes.

Every individual who has property or is over twenty-one years of age shall make a return.

Household goods will be listed in less detail than last year.

These articles will be on the schedule: Air Conditioners, Deep Freezes, Dishwashers, Pianos and Musical Instruments, Refrigerators, Radios and Record Players, Sewing Machines, Television Sets, Washers, Dryers and Ironers. Know the age and the new costs of these articles so they can be valued according to the depreciation scale.

The rest of the household goods will be valued in a lump sum, carpets and carpeting must be included in this. Please have in mind what this portion of your household goods is worth as the assessor will not have time to value it.

Please cooperate with us and have you assessing done early to avoid the last minute rush.
