633 Holt Boys, Girls in 1954 4-H Work

This week more than two million members of 4-H clubs in America unite head, heart, hands and health in "improving family and community living"—the clubs' theme for 1954.

The 4-H club members in Holt county last year carried on a wide variety of projects in farming, homemaking, community service and other activities. They raised livestock and poultry, grew gardens and field crops, conserved the soil, sewed, cooked, preserved food, and improved their homes.

In keeping with their slogan, they learned by doing and followed their motto "to make the best better." For a well-rounded life, they enjoyed play and recreation as well as interesting and worthwhile work.

"Character development and good citizenship are the most important goals, according to Harry Stokely, assistant Holt county agent.

Through their club programs, 4-H'ers learn a sense of home and community responsibility, habits and attitudes of good citizenship, skills for useful, productive work; application of science to everyday farming and homemaking; and the business side of efficient farming. They also learn the source of reliable information about their problems, the art of getting along with people, how to practice good health principles, and what makes for happy home living and congenial family relations.

In Nebraska, there were more than 27,000 boys and girls, between 10 and 21 years of age, enrolled in 43,400 projects last year. According to Wes Antes of the University of Nebraska, state 4-H leader, this number exceeds 1953 enrollment by 1,321 mem-

bers with an increase of 3,570 projects completed.

Holt County 4-H'ers did a remarkable job in 1954. They stood third in the state in members enrolled and completed projects enrolled and completed.

They were on hand and made a favorable showing in exhibits, judging and demonstration at the state fair. They participated in several out of the county contests in judging, public speaking, pie baking, livestock and home economics exhibits, and talent shows and came up with more than their share of blues.

"We can be proud of our 633 Holt county 4-H boys and girls. It was the application of the 4-H motto, "Make the Best Better", by our 140 4-H leaders, 4-H parents and 4-H interested friends that has made Holt county stand out in the superior quality of its rural youth," Stokely added.

Already 1955 looks more promising for an even better record," he concluded.

MORE PEOPLE BOUGHT FORD CARS IN 1954 than any other make!

Ford passenger-car sales to customers outnumbered those of any other make by thousands*

AND IT'S EASY TO SEE WHY!

Ford is the leader in styling

Motorists know that Ford has set the style trend in the industry for years. And now, with styling inspired by the fabulous Thunderbird, Ford is farther out front than ever!

Ford is the leader in V-8 power

Ford was first in its field (by 23 years) to provide the advantages of V-8 power. Since that time, Ford has built over 14,000,000 V-8 engines—more than all other makers combined! For 1955, Ford offers two new and mighty V-8's, as well as a most modern Six—all with the split-second response of Trigger-Torque power!

Ford is the leader in ride

Ford was first in its field to introduce Ball-Joint Front Suspension—the greatest advance in chassis design in 20 years. For '55, it's even better. Springs are set at an angle to smooth out even the tiniest bumps. It's the new Angle-Poised Ride.

FORD IS THE LEADER IN ALL THE FEATURES THAT MAKE YOUR CAR WORTH MORE WHEN YOU BUY IT - WORTH MORE WHEN YOU SELL IT
