Navigating Platte

On September 17, 1806, as Lewis and Clark were returning from their history-making, two Mr. and Mr. and R river with a large boat loaded were Friday afternoon callers at the home of Emma Maring and sons.

Among these with a large boat loaded year exploration of the Amerwith merchandise. These men were planning to go to Santa Fe by way of the Platte. No one knows what happened to them, but if they intended to take the 52tf boat very far up the Platte
their knowledge of that stream was as faulty as their know-

highway 108, has REA. See or write Art Frahm, Page.

2-4p75

CD CAVE 10-10 broads bears Platte. It never appears on a map except as a large and importand river (which it is) - maps, unfortunately, don't show its depth. Many others besides these early traders tried to navigate the Platte—and failed.

When Robert Stuart and his associates came down the Platte in the spring of 1813 on their trail - blazing journey from Astoria they attempted to speed their progress by building canoes in which to float down the North Platte.

Mr. and Mrs. Bill Perry and family of O'Neill visited at the William Newton home Sunday. AM NOW writing insurance for an exclusive hail insurance company.—Ed Thorin, O'Neill, phone 207.
