Farm Fire Blamed on Carelessness

EWING—A match tossed into a hay barn by a small boy on Friday afternoon at the Ralph Eacker place resulted in a total loss of barn and contents, granary, chicken house, some chickens and a calf.

The Ewing fire department, assisted by the Clearwater fire department, prevented the blaze from spreading to other buildings on the place. A high wind made it difficult to control the fire, which had made considerable headway before the firemen could reach the scene.

The loss is covered partially by insurance.
