Cattle Market Sharply Higher

Fat cattle this week have been sharply higher at the river markets and up-and-down the sale circuit. Thus the O'Neill sale managers are looking forward to a good sale here today (Thursday). There'll be over 350 head of cattle, including 30 head of big steers, weighing between nine hundred and a thousand pounds. These are good, green cattle and in dandy shape. There'll be several nice packages of steer and heifer calves, several consignments of cows and calves, and the balance of today's offering will be heifers, cows and butcher stock.

There'll be around 250 head of feeder pigs included in the offering of 700 hogs on today's sale. Whether you wish to buy or sell, be at O'Neill!
