

Hudson Jet-Liner Introduced

A new addition to the Hudson Jet series is the glamorous Jet-Liner (above), which is being exhibited by the Gonderinger Motor Co. of Atkinson, Holt county Hudson dealer. The new Jet-Liner brings new concepts of luxury and fine craftsmanship, explained Gerry Gonderinger. Interior of the Jet-Liner is finished in antique-white Plasti-Hide with contrasting bolsters in choice of red, blue or green. Gonderinger pointed out that the Jet-Liner has

Hudson's "step-down" design with lower center of gravity and Monobilt body-and-frame construction. The Jet-Liner's instant action engine with super induction develops from 104 to 114 horsepower, depending upon choice of equipment. Heading the 1954 Hudson line is the Hudson Hornet (below), national stock car racing champion. The '54 Hornet has a lower and longer appearance, 170 horsepower engine.
