Ainsworth Hit By Eagles, 34-12

Eddie Gatz Turns in Long Runs

Those improving O'Neill high Eagles spotted the Ainsworth Bulldogs a one-touchdown half-time margin Friday night at Ainsworth, then roared back with a three-TD spurt in the fourth stanza that sent the Ainsworth partisans to their homes with something to talk about for a long time. Final score: O'Neill 34, Ainsworth 12.

Fleet Eddie Gatz led the second half offensive show with a 70-yard off-tackle rumble in the third and a 50-yard end romp in the fourth.

Ainsworth outdowned the victors, 14-13, but it was one of those situations in which the bulk of O'Neill's offensive yardage was gobbled up on scoring plays.

Ainsworth scored first when Fulback Cozad took a pass on the O'Neill 15 and eased across. The "Dogs" had employed a series of line plays to move into position. They had a fourth down and 12 to go when they uncorked the successful TD pass.

O'Neill then drove to the Ainsworth 3 from where Fulback Duane Booth smashed across early in the second quarter. Booth's kick for point-after-touchdown was good, and O'Neill moved ahead, 7-6, for the first time in the game.

The Eagles were to hear again from Big Boy Cozad, who plays both at full and in the tailback spot. He went off-tackle from the 4 to put the Bulldogs ahead 12-7.

Gatz's long jaunt in the third fired the Blues, who proceeded to make hay from then on out.

The Bulldogs began to wilt when Back Harold Dexter skirled end to score in the early portion of the fourth. Mr. Gatz turned in a 50-yard sprint to pay territory and Larry Chace got into the scoring column with a 2-yard push.

Booth's toe worked for PAT's four out of five tries. O'Neill tried six passes, completed four; Ainsworth completed seven out of 11. There were no pass interceptions and O'Neill was obliged to kick only once; Ainsworth, twice. Both sides fumbled four times and recovered twice.

A large crowd was on hand to witness the game played under the Ainsworth arcs, including a sizeable representation from O'Neill.

O'Neill linemen standing out were Dewayne DeVall, Duane Alton and Warren Seger.

The Eagles have won three out of five starts, having lost only to Bassett, 0-26, and having played Plainview to a scoreless

tie. The Blues have downed Burwell, Creighton and Ainsworth in their last three starts.

The chart shows O'Neill has completed 21 out of 38 pass tries in the five games played to date.

This week Coach's Marv Miller and Paul Baker will be giving their charges a rest with an open date.

It Happened In NEBRASKA...

Always the hub of frontier activity, the "smithy" was in constant demand for wagons, plows, horseshoes. Here the first blacksmith shop in West Union shows a typical sod hut. In those days the blacksmith was every bit as important as the gas station attendant, mechanic and farm implement dealer is to us today.

In pioneer days, taverns were far cruder, too. What a difference today—with the Nebraska tavern owner playing an important role in community life, and being regarded by all as a respected businessman.
