Special Calf and Yearling Sale

Monday, November 2

We had a fair run of cattle this week and could have sold many more as the market was on fire. It is hard to say how much higher, but at least \$2.00 per hundred on all classes. It seemed the buyers were trying to get numbers instead of paying attention to the price.

Next Monday we will have a lot of good cattle with several straight loads of calves and yearlings. Can use quite a few more good cattle. Plenty of buyers.

Our top on fat hogs was \$20.45 per hundred. Sows up to \$20.10.

Let us try your next consignment and you will join our growing list of satisfied customers. We appreciate your business.
