

### Basketball Hopes Not High at OHS

Basketball prospects at O'Neill high school look a little dull this year as compared to recent years. During the past three seasons, the Eagles have compiled a record of 52 wins compared to 15 losses.

Larry Chace, a senior forward, is the only returning regular from last year's team which won 19 and lost four. Last season's conquests included capturing the Holt county and North Central Nebraska conference championships.

Other returning lettermen are: Duane Booth, senior guard; Harold Dexter, senior forward; Russell Miner, senior center; Warren Seger, senior forward and center.

Promising material includes: Don Davidson, senior guard; Duane Alton, senior guard; Dick Gatz, junior forward; Dick Gaskill, junior forward; Bob Sanders, junior center; Darold Strong, junior forward.

A total of about 40 boys have reported to Coach Paul Baker for the early drills. The squad will be cut to about 25 by the opening game.

O'Neill is a member of both the Holt county and North Central Nebraska conferences and will be defending champion in both.

# 2000 MILES OF AMBULANCES [ 4 ABREAST ] TO TRANSPORT 2,000,000 AUTO VICTIMS

A grim parade, bumper to bumper—and a grim reminder of the colossal toll in injuries charged to recklessness on our highways and city streets. A gruesome addition would be the 45 miles of hearses, four lanes wide, bearing the dead in the wake of the injured.

Look at your watch—every time it ticks off fifteen seconds someone, somewhere is injured. Every fifteen minutes one more life is sacrificed to speed and recklessness.

Late in 1951 the millionth victim was killed in 52 years of recorded highway fatalities. Authorities predict that if the present rapidly growing casualty lists are not curbed a second million will die in half that time.

Is the driving public so calloused to life blood spilled on the highways that it has developed an immunity to sane thinking and acting in this American tragedy? Are you one of those "good drivers" who shrugs off facts and figures and surreptitiously gives the Kiss of Death to those about to die?

Consider carefully—slow down—you may join the big parade sooner than you think.

SLOW DOWN—LIVES ARE IN YOUR HANDS!
