Run Small — Roads Blamed

Our run was rather small this week due to the road conditions. However, we did sell 174 cattle and well over 500 hogs. The market was strong on livestock and the good cattle were in very strong demand on all classes. The good cattle were in very strong demand and the cows were in very strong demand and we could have sold at least 200 more. The fat hogs and sows brought within 15c of Sioux City and Omaha tops. There were more buyers than we had stock for.
