

### Darwin Harley Takes Bride in Colorado

(Photo at right)  
Miss Shirley Stedman, became the bride of Darwin Harley, son of Mr. and Mrs. Paul Harley of Irving, on Sunday, October 18, in Denver, Colo. The ceremony took place at the Washington Park Community church with Dr. Herbert Stotts, pastor of the church officiating in the double ring service.

The bride is the daughter of Mrs. C. Raymond Stedman of Denver.

The bride appeared in a full-skirted gown of white nylon net and chantilly lace over taffeta made with molded bodice and off the shoulder neck line, her illusion veil was attached to a halo band of pearls and lace. Chantilly lace mitts completed her costume. She carried a shower arrangement of white delphinium orchids on a white ribbon.

The maid-of-honor, Miss Dorothy Whitney of Santa Ana, Calif., wore a gown of lace over taffeta, rich tan in color, and her flowers were deep gold chrysanthemums. The bridesmaids, Miss Ellen Whitney, and Miss Suzanne Tebow, wore gowns of green lace over taffeta and yellow lace over taffeta respectively. They carried yellow mums and wore matching flowers in their hair. William Whitney served as bestman, Roger Harley and Herbert Stedman served as ushers and groomsmen.

The men wore white tuxedo coats and dark trousers. Candle lighters wearing gowns of light blue taffeta trimmed with ruffles in a slightly darker blue, were Mrs. Robert Pearson of Denver, and Miss Gail Brown, the bride's cousin, of Ft. Morgan.

Wedding music was played by Mrs. Annabelle Tippett, who also accompanied Marion Pifer, who sang, "I Love You Truly," "Because," and "The Lord's Prayer."

A reception was held in the church social rooms following the ceremony. The bride's mother wore a crepe dress of fall brown and tan, accented with green shoes and a corsage of green chrysanthemums. The bridegroom's mother wore the dress she had made of black velvet which her son had sent her from Japan and used accessories and flowers of pink.

Out-of-state guests attending the wedding were: Mr. and Mrs. Victor Harley and Vivian, Mrs. Donald Hoffman and Mr. and Mrs. Vernon Harley, all of Chambers, and Mr and Mrs. Sam Kellham and family of Canon City, Colo.

**To Die in Chair—**  
Monday, November 30, will be the most important day in the life of convicted murderer Hugh Griffith, accused of the murder of his estranged wife a year ago last summer, will carry his bid for clemency to the state pardon board. He has been sentenced to die in the electric chair.

thur Smith; the Bible stand, by the family of the late Mrs. G. E. Moore, and the picture of "Christ Overlooking Jerusalem," by the young adult fellowship, as a memorial to Richard Sholes, who was killed in World War II. Two gifts of money which were given to the building fund are as follows: \$100 by Mr. and Mrs. L. R. Tompkins in memory of Mr. and Mrs. Archibald Tompkins, and \$50 by the Abrahams family in memory of W. W. Watson. The official board appointed Harvey Tompkins to take charge of the memorial fund.

The youth choir met Thursday, November 12, at 7:30 p.m., at the church. Following choir rehearsal the group had recreation in the Maxey Memorial addition. On Thursday, November 19, recreation was in charge of Roland Hansen and Sammy Watson and the lunch committee consisted of Kay Coventry and Linelle Tompkins.

### Bob for Honesty, Is Against Sin

LINCOLN—Governor Robert Crosby and his advisors have been busy this week studying the reaction of Nebraskans to his crusade for full personal property tax returns.

They realize that the outcome of the so-called "Operation Honesty" may be foretold by the first reaction of Nebraskans. A cool attitude toward the plan would doom it at the start.

Therefore, it's interesting—pending the returns from the "field"—to study the reaction of the approximately 95 persons present when Crosby unveiled the plan last Friday.

Crosby had asked the representatives of the 45 or so statewide organizations to lead the drive for honesty in filling out personal property returns. He had asked them to secure the cooperation of their individual members and carry on a fight for complete personal property returns by speeches, personal calls on residents and county officials, and similar means.

He had pointed out that much personal property now was "scandalously low" and needed a boost to bring it into line with real estate which now was bearing an "unjustified share of the burden."

In general, the persons present seemed to approve of the plan. As one remarked, "everyone" is for honesty—just as everyone is for motherhood and against sin.

But their approval went beyond that. Crosby pointed out that they all seemed to agree that this plan was the only possible one for this time. On this point they were agreed although many different possibilities were presented as possible long range solutions.

But there are still many ques-

**State Capitol News . . .**

tions left unanswered, as another representative said. It appeared that the "answers" would not come from Crosby, however, but from the organizations and from the persons they contact.

The governor knows that he must have cooperation from both to make his plan a success.

to make it work. That would mean another term.

Crosby pooh-poohed this theory and said the politicians had missed the mark in their prediction. He said that the question was divorced from politics and that he had given no consideration to the political implications of his "Honesty" campaign.

Another political leader's views backed up the governor. This man said that it might very well be possible that Crosby was simply trying to live up to his oath of office and might decide to step down after one term.

The governor seems absolutely sincere when he says that he's going to put off the decision until later.

Tuesday, December 1: Page King's Daughters meet with Mrs. Ralph Brostrom, 7:30 p.m.  
The Inman board held its November meeting at the church on Thursday, November 12, at 8 p.m., with Karl Keyes, chairman, presiding. The board voted to insulate the ceiling and north wall of the church. A type of insulation was recommended at the meeting of the young adult fellowship the week previously.

As several gifts of money have been received from members and friends of the Inman church in memory of departed loved ones, it was voted to establish a memorial fund. It is hoped that this will become an honored tradition in our church. The recent gifts are as follows: Eugene Sire, sr., and family, \$40, in memory of the late Mrs. Ethel Sire, and Mrs. Blanche Rouse, \$10, in memory of the late Herbert Rouse.

A large portion of these gifts has been used to purchase the venetian blinds which have been installed at the west windows in the Maxey Memorial addition. The remainder will be placed in a permanent fund. It is planned to obtain a memorial book so a record of these gifts may be kept. Memorial gifts which have been received in the past include: The pulpit Bible, by Mrs. Eva Murten and Mr. and Mrs. Forest Smith, in memory of Mr. and Mrs. Ar-

**Working for America...**

**50 million telephones!**

Now—50 million telephones serve America. All the rest of the world together has only 39 million. Your telephone means convenience, safety, and personal satisfaction. It is in the lifeblood of American business, providing the communications channels that move crops and manufactured goods, that make life easier, more meaningful to all of us.

And the telephone industry in America safeguards our national liberties by providing facilities for aircraft warning systems while its research laboratories help in the invention and development of the nation's secret defense weapons.

In Nebraska, there are 425,500 telephones tying together the social and business life of all communities, tying together more closely our rural areas and our towns and cities.

To Nebraska, it means an industry that is one of the state's largest employers, one whose service is vital to the progress and prosperity of every county and city. There are 161 telephone companies serving the communications needs of Nebraska.

It's a particularly American type of industry, this telephone business, owned by Americans, made up of 800,000 telephone people working in their home towns for 5,300 telephone companies, and serving 50,000,000 telephones. Its service is available to just about everyone, everywhere—quickly, easily, and at low cost.

The telephone industry has for 77 years played a big part in America's growth and development. It intends to keep on providing this nation with the best telephone service in the world.
