The quality of the yearlings offered was the best of the season. Several straight load lots sold and looked a half-dollar to a dollar higher. Nebraska ranchers bought most of breeding cows, popular prices from \$140 to \$160 per head.

Yearling heifers were in short supply. Canner cows, 7.00 to 8.00; cutters, 8.00 to 9.00; beef cows, 9.50 to 11.50; bulls, 8.50 to 11.00.

Remember, we are selling only on our regular Tuesday dates. Representative sales above and the large crowd in attendance indicate a lot of feeders are still looking for their feeder cattle. List your cattle a week in advance so we may let the buyers hear of your consignment.
