**Bring French-Made Car to O'Neill**

Cpl. and Mrs. Donald Borg are shown (above) standing beside their French-made Opel Olympia auto, which they shipped to the U.S. from France. The car, a 1953 low-priced (\$1,300) model, was shipped by vessel about a month ago. Corporal Borg and his wife, the former Mary Jo Hynes, flew to New York where they claimed the car and drove on to O'Neill. The little machine is attracting considerable attention as it scoots around the streets of O'Neill with license plates three times ordinary size. Corporal Borg, who was stationed for several years at St. Jean, France, will go to Chicago, Ill., in about a week to await separation from the service.—The Frontier Photo.

**Ward, Colo. — On Verge of New Boom**

### Aux to Sponsor Cancer Crusade

The Nebraska division of the American Cancer society has announced the appointment of the Simonson unit 93 of the American Legion auxiliary of O'Neill to direct the annual cancer crusade in the city of O'Neill for 1954.

Mrs. Virgil Laursen is the president of this group and will direct the activities of this crusade.

The cancer crusade is held every year during the month of April. By an act of congress, April has always been called the month for cancer control.

The American Cancer society is the only volunteer agency in the United States fighting for an effective cancer control program. It has a three-fold program: Cancer education, research and service. Many of the various civic groups in Holt county have made use of the many educational films available without charge from the society.

Miss Carol Feuerstein, field director for the Nebraska division, will present the American Legion auxiliary with an educational program on March 3. The film on "Breast Self-Examination for Women" will be shown.

Mrs. Laursen will appoint different committee chairmen in the very near future.

If any one should wish to make a memorial contribution in memory of a deceased they may do so by contacting either Mrs. Laursen or writing to Cancer, Omaha, Nebr. Cards of acknowledgement will be sent to the next of kin.

At a meeting of Simonson unit Wednesday, January 6, it was voted to give \$50 to the march of dimes. It was decided to again sponsor the Americanism essay contest.

Used clothing being collected by the O'Neill city schools is to be taken to the Western hotel.

Mrs. Paul Walker, who is past-president of the American Legion auxiliary in Aruba, presented a talk on activities of her unit there. Aruba is a part of Panama Canal zone. She is a sister of Mrs. Blake Benson.

# Weather Won't Stop You With These Willys 4-Wheel-Drive Vehicles

It's good insurance to own at least one of these Willys vehicles that will get you there when others can't.

## 4-WHEEL-DRIVE WILLYS TRUCK

Get the truck that will get you through every day in the year—the 4-Wheel-Drive Willys Truck. Its 4-wheel traction pulls through deep mud, heavy snow, over ice-glazed roads when conditions bring other trucks to a standstill. With its "go-anywhere" traction, you can reach your stock, get supplies from town, keep work on schedule. Powered by the HURRICANE Engine, the Willys Truck is built on a special frame to stand up under rough travel on or off the road. See your Willys dealer for complete details—and a demonstration.

## 4-WHEEL-DRIVE WILLYS STATION WAGON

The most useful car on any farm or ranch—the 4-Wheel-Drive Willys Station Wagon. It puts an end to the worry and uncertainty of bad weather travel with traction that takes you through when no other car can. Rides six adults... seats are removable to provide over 100 cu. ft. of cargo space. With HURRICANE Engine power and traction on all 4 wheels, this car assures transportation throughout the year. See your Willys dealer for a demonstration now.
