

Westrom-Keating Rites at Stuart

STUART—The chancel of St. Boniface Catholic church was decorated with white gladioli, snapdragons and pink and white carnations for the marriage rites of Miss Bernice Westrom of Washington, D.C., daughter of Mr. and Mrs. Chris Westrom of Stuart, and Robert G. Keating of Atkinson, son of the late Philip Keating of Atkinson, on Saturday, January 30, at 9 a.m.

The ceremony was performed by Rev. A. J. Paschang and the music was by the male choir of St. Boniface church, accompanied by Sister Vera.

The bride, given in marriage by her brother-in-law, Gerald Gonderinger of Atkinson, wore a white satin gown fashioned by Hannah Troy of New York City, and she carried a bouquet of white roses centered with a white orchid.

Mrs. Gerald Gonderinger of Atkinson, sister of the bride, as matron-of-honor wore a beige faille gown and carried a colonial bouquet of violets.

John Keating of Atkinson served as best man for his brother. They wore business suits with white carnation boutonnieres.

Mrs. Westrom chose a blue-grey crepe dress for her daughter's wedding and Mrs. Carrie Keating, stepmother of the bridegroom, chose a grey wool dress. Both wore white carnation corsages.

A wedding breakfast was served to 30 guests including Reverend Paschang and Miss Elizabeth Paschang at the home of the bride's parents. Floral decorations in the home were white roses and pink and white carnations.

The bridegroom is a graduate of Creighton university of Omaha. He is a member of Beta Sigma Pi, and is associated with the Keating Implement company of Atkinson.

The bride was one of the personnel officers of the World Bank in Washington, D.C.

Following a wedding trip to the Southern states, Mr. and Mrs. Keating will be at home to their friends after February 15 in Atkinson.

Among the out-of-town guests attending the wedding were Mrs. Carrie Keating, Michael Keating, Mr. and Mrs. Frank Keating, Mr. and Mrs. John Keating, Miss Freda Ortmeier, Mr. and Mrs. Charles Gonderinger, Terry Gonderinger, Rev. Richard Parr and Reverend Kelliger of St. Joseph's parish, all of Atkinson; Mr. and Mrs. Francis Wabs of Spencer; Mr. and Mrs. Bernard Conway of Atkinson; Chris, and daughter, Roberta, of Omaha, and Mrs. Peter A. Safety, Comfort Value in Plymouth

A masterpiece of engineering for safety, comfort and value.

That introduction to the Plymouth aptly describes the Chrysler Corporation's number one car. The Plymouth agency in O'Neill is the Shierk Motor Co., also DeSoto dealers.

Plymouth for '54 is engineered for years to come and viewers at this year's O'Neill Auto Show will have ample opportunity to learn what this means. Floating power, Hotchkiss drive, oriflow shock absorbers, safety-rim wheels, safeguard hydraulic brakes, centrifuge brake drums, cycle-bond brake linings, 100-hp., 71.1-to-1 compression ratio, positive pressure lubrication, oil bath air cleaner, aluminum alloy pistons, floating oil intake, sea-leg mounted rear shock absorbers, sway eliminator—these and many other features are to be found on the new Plymouth.

Full time power steering is available in the new Plymouth, according to Paul Shierk, manager of the Shierk firm.

"Naturally, it's a pleasure to have smooth, silent hydraulic power to do so much of your car-handling work, to absorb all road shocks and jars, Plymouth's power steering does just that, every mile you drive. And now you'll actually enjoy parking. With power steering it takes just a one-finger spin of the wheel, and you're in! But the fun of driving with Plymouth's power steering goes deeper than that. You drive relaxed, at ease, because you know you have complete command of the road," Mr. Shierk added.

"You drive with a wonderful new confidence and peace of mind from the greater safety that power steering gives you. A sudden blowout won't snatch the wheel from your grasp. An unexpected bump, or deep ruts, or loose gravel will not make you swerve from your path."

Norfolk-O'Neill Bus Seeks Curtailment

The state railway commission at 1:30 p.m. February 10 at the Norfolk auditorium will hold a hearing on the application of Rapid Transit line to reduce its bus service between Norfolk and O'Neill.
