**A Word to the Unchurched**

- We extend a special invitation to you to attend our services during the Lenten season. We make no excuses for inviting you and will not admit that you are making any concessions to us by coming. We believe we have what you need and you personally will be the gainer.
- We invite you because we are certain that you need the Church and not because the Church needs you. There are certain fundamental questions which you cannot afford to leave unanswered. Why are you living? Is there a God to whom you are accountable? What are you doing with your life? Where are you going? Are you taking a chance on eternity? Is the religion of the Bible true? We can only ask you to come and see.
- We offer you no bait of sensational pulpit "stunts." We preach the old Gospel story in all of its truth and purity. We are "fundamentalists" without equivocation. We preach Christ and we preach Him crucified for the sins of men. On the basis of this One Thing Needful we extend an urgent invitation to you to attend our services. Attend to the needs of your soul. It is high time.
