**Weekly Market Report**  
of  
**The Atkinson Livestock Market**  
Atkinson, Nebraska  
Tuesday, Feb 23rd, Auction  
We had a good run of cattle at our Tuesday Sale—1368 head in all. Prices generally were steady with last week's good sale. The quality of the offering didn't quite equal that of last week but most of the choice steer calves sold from 21.75 to 22.50. High choice kinds were quotable to 23.25 cwt. Calves which were good for quality, 20.00-21.50 cwt. Plainer kinds from 17.50 to 17.75. Heifers remained in good demand, mostly 17.00-17.50 cwt. A few strings sold under 17.00 but they just lacked the quality of the other calves.  
A load of 515-lb. light yearlings topped at 22.00 cwt. They were choice for quality, the bulk of the light yearlings sold from 21.25-22.00. Heavier weights about 1.00 cwt. less and these kinds were in short supply. Our best string of yearling heifers brought 16.50, however choice kinds were eligible to sell up to 17.00.  
We had a large run of breeding cows, many with calves at side. These cows were just fair for quality, best kinds brought 157.00 per pair. Practically all the cow and calf combinations brought over 140.00 per pair. Most of the cows looked 10.00-15.00 per head lower than a week ago, quality considered.  
In the butcher trade the market again was a very active one. The best beef cows bringing from 11.00 to 12.50 cwt. Canners and cutters 9.75 to 10.75. Bologna bulls mostly 9.75 to 13.00 cwt.  
Next Auction March 2nd. This sale promises to be another large run. List your cattle so we may advertise them. Your consignments are appreciated.
