STORZ-BREWING COMPANY, OMAHA, NEBRASKA

Why do you trust this man to feed your family?

HAVE you ever realized that the most precious thing you buy every day is food? Probably not. Yet your own family's health and well-being depend largely on the quality of food you buy. Your food store dealer never forgets this fact. That's why he's as careful of the food he offers you as he is with the food he takes home to his own family.

While experience has taught you to rely on him for the best—most wholesome—foods, you likely take for granted his constant check for quality...his investment in new and better foods...and that he brings all of this to you at a price you know is right.

And how rewarding for you if your favorite food store gives you S&H Green Stamps.

You know, of course, that half the families in America save them today. Your S&H Green Stamps make it possible for you to choose from over 1,500 top-quality, famous brand-name items at your S&H Green Stamp Redemption Store.
