

PICKUP MEN ARE A MIGHTY WELCOME SIGHT at the end of the ride. It's their job to get the cowboy off the horse as quickly as possible following the whistle signaling the finish of the ride. They're also responsible for clearing the arena of loose stock and during the Brahma bull riding they haze the bulls away from the fallen rider.

THE RODEO CLOWN IN THE BAGGY PANTS plays an important part in making the rodeo an entertaining sport for the spectators. There's a serious side to his business too. The rider thrown from the Brahma bull is mighty glad to see the clown appear and draw the bull's attention away from him.
