...and profitable to your community!

Taking time out to be sourteens on the highway is a well-developed habit with Nehruska's truck drive ers. And it pays hig dividends. It gives our industry a good name, and it helps some stranded motorist. The trucking industry's emphasis on courtesy and safety on the road also explains the spiendid safety record enjoyed by over-the-highway truck drivers. And don't think for a minute it isn't profiting every community in Nebraska. The Trucking Industry makes jobs for over 28,000 Mebraskana. and pays taxes in every community in the state.
