

Kids Are Doing Some Thinking, Survey Shows, Concerning That Awful H-Bomb

By BARBARA BENNETT

I believe we have all heard read something about the new bomb science has discovered — the bomb that makes the atomic bomb look like a firecracker. It is called the hydrogen bomb. If they make it WE might be the generation who lives during its time.

I have asked a few kids if they think the H-bomb should be made or not. Here are their ideas:

Bernadette Hynes: "It can be destructive, but we should make it and use it for progress."

Tiny Lay: "If it is used for the good of the world and not destructively, let's have it."

Claryce Johnson: "We should make it to scare other nations so they won't start war."

Claude Cole: "Make a few to have on hand, just in case."

Lois Harder: "We should make it but not necessarily to use it. Just so the Russians won't get ahead of us."

Katharine Golden: "We should make it in case we need it."

Marde Birmingham: "It should be made to try and ward off the Russians."

Ted Lindberg: "We should make it for our protection."

Don Moran: "Let's make it before the Russians beat us to it."

Coleen Hartranft: "It should be made but there should be certain limitations on its use."

Marilyn Holsclaw: "We should go ahead and make it, but have an agreement with the other countries to outlaw it."

Betty Jane Williamson: "I don't think we should make it. It would just start another war."

Don Wagon: "If we don't Russia will."

Katharine Judge: "It's useful if we regulate it and don't go to extremes."

Pat Brennan: "It's too destructive. Who wants to live anyway?"

Donna Crabb: "Make it to promote science."

Don Codel: "MAKE IT!"

Pat Mullen: "Make it so we can defend ourselves against Russia."

That give you an idea of what we teenagers think.

Now back to lighter things. There were 3 basketball games last week. St. Mary's won over Spalding, 42-31; O'Neill high school lost to Plainview by 1-point in a very good game. Then the Eagles won over Inman, 42-39.

That's all. See you next week!

MRS. SPITTLER, 66, DIES IN OMAHA

Prominent Ewing Woman Expires in Hospital; Lifelong Resident

EWING—Mrs. John B. Spittler, 66, nee Dessie Huston, died Friday, February 17, at St. Catherine's hospital in Omaha. Funeral services were held Monday, February 20, at St. Peter's Catholic church.

She had been ill only a short time.

Dessie Huston Spittler, daughter of David A. and Rhoda S. Huston, was born December 25, 1884, on the Huston homestead 15 miles southwest of Ewing. She was united in marriage to John B. Spittler on January 17, 1917. To that union were born two sons, —John J. and J. K. Spittler.

At the age of 7 she moved with her parents to Ewing where she resided until her death. She attended school in Ewing and was a member of the class of 1900.

She assisted her parents in the hotel business until 1905 when she became the first telephone operator in this community. She was affiliated with the Antelope Telephone company as an operator and supervisor until her marriage in 1917.

Just prior to World War I, she became active in Red Cross work and remained active until her death. She was president of the local Red Cross chapter for many years and under her leadership the Ewing chapter assisted materially in local and national disaster relief.

She was a member of the Catholic church after her marriage and was active in the Altar society and Christian mothers.

An active member of the Democratic party she served as committee-woman for several terms. During the depression she directed federal, state and county relief activities in this area.

Rev. Peter Burke, of Ewing, and Rev. John Vogel, of West Point, officiated in the funeral rites. Pallbearers were: Judge L. W. Reimer, of O'Neill; John H. Wunner, R. B. Crellin, Joseph Froendel, E. L. Welke and John Walker, all of Ewing. Survivors include: husband — John, sons — Jack, of Columbus, O., and King, of Omaha; 5 grandchildren, sister — Mrs. Inez Burch, of Chandler, Ariz.

TO TRAINING MEET
Scoutmaster A. E. McMaster and assistant Scoutmaster T. A. Perry, of troop 210, O'Neill and William Yost, of Stuart, spent Saturday and Sunday, February 18 and 19, attending a Scout leaders' training course meeting at Camp Cedars near Fremont. The leaders took up program planning and carrying out an effective Scout program at the weekend session.

INFORMATION & INSTRUCTIONS

Information and instructions concerning assessment and valuation of property in 1950

ASSESSMENT DATE: MARCH 10 TO APRIL 20

- The law makes it the sole responsibility of the taxpayer to be assessed by April 20, or suffer a penalty.
- Assessors are appointed for the precincts to contact the taxpayers, prepare the personal schedules, and assist in preparing the business schedules, if desired.
- The assessor will have the assessed values applicable to personal property, ascertained by a formula prescribed by the Tax Commissioner, and will apply them to your assessment. Full and complete instructions are printed on the back of the business schedule for the preparation of that schedule. Follow them in detail.
- Livestock and grains are assessed on the same basis as last year.
- Time allotted for assessment and the number of taxpayers to contact, in some precincts, may not permit the assessor to contact you. If at all possible, contact your assessor and be assessed before he contacts you, thus expediting the assessment and lessening the expense.

L. G. GILLESPIE,
Holt County Assessor.
