## Hadacol Helps Wife Keep Her Family Well and Happy

HADACOL HELPS FOLKS SUFFERING FROM DEFICIENCY OF VITAMINS B<sub>1</sub>, B<sub>2</sub>, NIACIN AND IRON

Mrs. Edward H. Newton, 4364 Reading Road, Cincinnati, Ohio, feels that a wife's chief responsibility is attending to the welfare of her family at all times. HADACOL has been a big help to her in keeping her husband and little nephew well and happy.

Mrs. Newton's family, like so many, were suffering deficiencies of Vitamins B, B<sub>2</sub>, Niacin and Iron, which HADACOL contains.

HADACOL brought such wonderful results to her husband, who had suffered from stomach distress that Mrs. Newton gave HADACOL to her three-year-old nephew, Bobby Newton, with equally gratifying results.

Mrs. Newton's statement: "I gave my little nephew HADACOL because he was pale, he had no appetite; he was run down and he caught colds repeatedly. After taking HADACOL, he has an appetite, has color in his cheeks and he is healthier all the way. My husband has always been troubled with his stomach. After taking five large bottles and three small bottles of HADACOL, he eats anything and is not bothered with his stomach." Mrs. Newton has recommended HADACOL to many of her friends.
