Hospital Bed To Be Purchased

The American Legion auxiliary, of O'Neill, is sponsoring a magazine subscription drive beginning the week of Monday, August 14.

With the commissions earned from sales of the popular magazines, the auxiliary will purchase another new hospital bed and a Greeneye testing cabinet, which, when received, will be made available for temporary use in the schools in this area.

This same plan has been sponsored by the American Legion post of O'Neill in past years, whereby the organization has purchased an inhalator, oxygen tent, polio pac heater, MSA pneophore, 4 hospital beds and other equipment. This equipment is all housed in O'Neill and available for use at any

time without any charge.

Representatives carrying letters of introduction signed by the officers of the auxiliary will call upon the residents of the county and surrounding areas to take orders.
