### HOLT COUNTY EDUCATIONAL NOTES

Milton J. Hassel, of Wayne State Teachers college, is to come to O'Neill Saturday, September 30, to meet with teachers of this area who may wish to take a course in either music or arithmetic instead of science or reading. The science enrollment of 60 is a little large for that type of subject and it is possible that 10 or 12 of that group would rather take another subject.

Mr. Hassel will be prepared to teach either music or arithmetic according to the need for the subject. — By Elja McCullough, county superintendent.

## GOVERNOR PETERSON, CHAIRMAN BROKAW, EYE C. R. O. P. DRIVE

Crops for CROP—Governor Val Peterson, right, honorary state chairman, and W. H. Brokaw, state chairman of the 1950 Christian Rural Overseas Program drive in Nebraska, inspect a field of corn in eastern Nebraska. Indications in early September, as one can tell from this picture, were strong for a big corn crop in the state, and also for a big CROP campaign. University of Nebraska Chancellor R. G. Gustavson, also an honorary state chairman, was unavailable for the picture.

## Oct. 22 CROP Sunday

Holt county will cooperate with CROP (Christian Rural Overseas Program) to help the needy people abroad.

The CROP committee in Holt county has been organized with the following officers: Rev. Ralph Gerber, of O'Neill, chairman; Rev. Robert Olson, of O'Neill, secretary and publicity chairman, and Dale French, of O'Neill, treasurer.

Sunday, October 22, has been set aside as CROP Sunday in Holt county and the collections will be made through the churches. However, for those who have no church home, contributions may be made at any of the banks in the county.

The contributions this year will be in the form of dollars and cents rather than commodities.

The need for such a program of help is evident from the reports of those who have visited these war torn and devastated areas of the world. Innocent children and adults who have no say in what should happen in the world are victims of hunger and disease. They are extending their hands asking that we give, Reverend Olson explained.

There are still multitudes of people in Europe and Asia in need, even though many countries have made remarkable progress in rebuilding and reestablishing themselves.

Germany alone has between 10 and 12 million refugees and displaced persons. About 2 million of this number are without employment. Housing is inadequate and in fact in some places it doesn't exist. There are still people living in caves, bomb shelters, and the ruins of buildings. These people appreciate our assistance, Reverend Olson declared.

### Holy Trinity Upsets Ewing

EWING—Holy Trinity academy, of Hartington, playing football its first year, squeezed out a thrilling 9-6 victory over the Ewing Tigers Friday evening at Hartington.

The second half, Ewing started a sustained drive from inside their own 20, which ended in a touchdown on a pass from Tomjack to Rotherham in the end-zone. The Tigers again threatened at the beginning of the fourth quarter, but Trinity intercepted a pass and went 80 yards for a touchdown. The play-off point was good.

R. Scania, 190 pound full-back, was outstanding for Trinity on offense and defense.

Standouts on defense for Ewing were 128 pound Guard Kaczor, Fullback Charvat and Halfback Schroeder. While the passing of Tomjack and the receiving of Rotherham stood out on offense for Ewing.
