Coming to O'Neill! SUNDAY, OCT. 1st

— 1:30 O'CLOCK P. M. —

YOU WILL want to see this truly great air show . . . you'll gasp . . . you'll thrill . . . you'll long remember.

The Greater Midwest Air Shows

1. HOWARD LIBERSKY — 10,000 foot spin, a real show opener.
2. ROY TIMM—Waco Special Act, a daring young man and powerful plane.
3. RAY HENRY — Paper cutting antics and dead engine acrobatics.
4. LOWELL WHITE—Surprise act ?? Exciting ?? Guess what ??
5. HOWARD LIBERSKY — A little man and tiny plane bring you big thrills.
6. JOHNNY VASEY and RAY HENRY — the "Duet of the Stearmans."
7. LOWELL WHITE — Landing on the "Smallest Airport in the World."
8. LOWELL WHITE — Take off from the "Smallest Airport in the World."
9. HOWARD LIBERSKY — Air pick-up with the little man on the ladder.
10. JOHNNY VASEY—Outside acrobatics with the top acrobatic pilot.
11. HOWARD LIBERSKY — A thrilling delayed parachute jump.
12. RAY HENRY and ROY TIMM—In their death defying wing act.

CAPT. JOHNNY VASEY, judged the number one pilot of the Chicago Air Races and Miami Air Maneuvers, will display what is meant by an outside pilot.

HOWARD LIBERSKY, one of the smallest stunt men in airshows will bring you some of the biggest thrills in the show. Howard makes delayed parachute jumps, catches a ladder in a racing convertible and then proceeds to climb up into the plane.

ROY TIMM and RAY HENRY display a grand finale as Roy stands on Ray's wing as they go through one loop after the other trailing a long stream of smoke. Roy manages to wave to the crowd as Ray flies him upside down 160 mph low across the field.

JIM MANGO, veteran pilot and announcer for 17 years, brings you a colorful presentation of the show.

CAPT. RAY HENRY, famous for his upside down flying, teams up with Johnny Vasey in the "Duet of the Stearmans"—two powerful airplanes flying breathlessly close while doing a series of acrobatics.

ROY TIMM at 22 is a daring young stunt man. For years Roy has kept many thousand breathless with his flying, jumping, and riding on Ray Henry's wing.

LOWELL WHITE shows his skill as a precision pilot as he executes one of the most unusual acts in the world. Lowell lands and takes off the top of a station wagon with his conventional light plane.
