CHAMBERS—The Junior class presented a play Friday, November 17, at the high school auditorium. The name of the play was "Just Ducky." The cast of characters was the following:

The director was Miss Kelly, assisted by Pete Hoffman and Jeanne Farrier.

Mr. Dan Goldsmith, 3024 Curron Road, Louisville, Ky., owner of Coogla Cut Rate Store at 935 West Broadway, says there just aren't enough words in the English language to praise HADACOL correctly. He says he knows most folks don't realize what a change HADACOL can make in their life if their systems are deficient in Vitamins B, B<sub>1</sub>, Iron and Niacin.

Here is Mr. Goldsmith's statement: "Before I started taking HADACOL I was run down and nervous — and had a hard time sleeping nights. With my work in the store I have to spend sometimes 14 hours a day on my feet. Since I am in the retail business I saw how many folks were asking for HADACOL so I decided to try it myself. After the first couple of bottles I could tell a definite improvement. Now I have all the pep and energy in the world, my nerves are steady as ever and I really do get a good night's rest. HADACOL is wonderful—I not only take it, but recommend it to all my customers. I praise the day Senator Dudley J. LeBlanc put HADACOL on the market."

**HADACOL Is So Different**  
Thousands are benefiting from HADACOL... whose systems lack Vitamins B, B<sub>1</sub>, Iron and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when Iron is needed) to carry these great Vitamins and Minerals to every body organ — to every part of the body.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take — you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.

It would be easy to let the breath-taking power, the luxurious ride and the gleaming good looks of a Buick sweep you off your feet.

And once you've sampled the sweet response of Dynaflo Drive\*—you feel a big lack in anything else.

But let's be practical about all this.

What does it cost to buy—and to own—this star performer?

The first answer is a look at delivered prices—and most people still are surprised to find

that a car which offers so much actually costs so little.

That's true, whether you put the SPECIAL, the SUPER or the superb ROADMASTER against other cars of comparable dimensions. They certainly shine on a first-cost basis.

But this is only half the story, as you'll soon find out on any used-car lot.

Year in, year out, the resale prices of Buicks stay much closer to first cost than the prices of

cars with lesser merit.

And among recent models, Buicks with Dynaflo Drive command such a premium that you can almost figure you get this dream drive for free.

So why not let yourself go? Why not walk right into your Buick dealer's now and say, put me down for one of those!

There's no time like the present for showing your good judgment.
