O'Neill Lions Use '2-Platoon System'

The O'Neill Lions basketball team, an amateur outfit sponsored by the Lions club, walloped the Orchard Owls, 51-38, on the O'Neill court Sunday afternoon. Coach Arnie Doerning's Lions established some sort of a precedent by using the "two-platoon" system now popularly adopted by football coaches.

Doerning has a defensive unit and an offensive unit and Orchard wilted under the pressure. Orchard led 12-6 at the first quarter, the score was tied 28-28 at halftime. With four minutes remaining and the count 41-38, Doerning's supercharged offensive unit went to work and poured in 10 points to ice the game.

Both teams are members of the newly-organized Elkhorn valley league. The league is divided into two divisions. North members are Orchard, Creighton, Ewing, Chambers, Page, Bloomfield, Niobrara and O'Neill.

Members of the offensive unit are Bob Matthews, Beryl Damkroger, Howard Dean, Elmer Blackbird, Max Mossman and Jim Donohoe. In the opener Blackbird, the Lynch high coach, gathered 15 points; Matthews, 13.

Members of the defensive "platoon" are Faye Robeson, Bill Carlson, Bing Volberding, Shorty Miles, Gene Leach, Dan DeBacker, Bob Jonas and Warren Taylor.

Klusman and W. Young tallied 10 points each for Orchard. Darrel Heiss, of Page, is North division secretary.

- Dec. 10—Creighton, here.
- Dec. 13—Ainsworth, there.
- Dec. 27—Chambers, there.

A Suggestion for Christmas:

Give Her A Checking Account . . .

MOM IS REALLY just as good a manager as you make it possible for her to be. A checking account which automatically helps her budget family accounts would put her on a really "business-like" basis.

Why Not Give Her One for Christmas?
