**MOST PRECIOUS OF ALL GIFTS, the diamond, plays an im-  
portant role at Christmas time. Three times as many engagement  
rings are now purchased in December than in the next highest  
month of April, giving eloquent testimony of the growing popu-  
larity of the yuletide betrothal. The sparkling diamond (above) is  
a brilliant cut stone in a prong setting and is today's most popular  
type of betrothal ring. Diamonds also are much favored as luxury  
Christmas gifts from husband to wife in many interesting settings,  
brooches, bracelets and necklaces.**

## Pat Boyle Tells of Chicago Trip

(Editor's note: The story of a  
trip to the national 4-H club  
congress held last week in Chi-  
cago, Ill., is told by Patrick  
Boyle, son of Mr. and Mrs. Ed  
Boyle, of O'Neill. He earned  
the trip for honors won in  
state gardening competition.)

By PATRICK BOYLE  
Member Riverside 4-H Club  
(O'Neill)

I was very surprised when I  
received word that I won a trip  
to 4-H club congress.

I looked forward and made my  
plans with a great deal of plea-  
sure. When I left home at 12:30  
Saturday morning, November 25,  
I was starting on my first long  
train ride alone, and my first  
trip out of Nebraska. Upon arriv-  
ing in Omaha, I was met by oth-  
er 4-H'ers. While we were wait-  
ing for the rest of the delega-  
tion from Lincoln, we had the oppor-  
tunity to be on a radio program.  
This program came direct from  
the Burlington station over  
KFAB at 11:30 a. m.

I was one of 29 club members  
going from Nebraska. We left  
Omaha at 12:30 a. m. for Chicago,  
Ill., on the Nebraska Zephyr. On  
the trip down we listened to the  
Nebraska - Oklahoma football  
game and sang songs. We arrived  
in Chicago Saturday and spent  
the evening looking at Lake  
Michigan.

Sunday morning was the real  
starter with church and registra-  
tion. There was the first general  
assembly of the congress that  
day with Judge Camille Kelly,  
of Memphis, Tenn., as the speak-  
er. She is a judge of a juvenile  
court and a top judge of the na-  
tion.

Each day came many wonder-  
ful events. I think the most im-  
pressive of all was the discussion  
groups, where 1,500 4-H boys,  
girls and leaders could voice  
their opinions and come to a fi-  
nal decision. In these discussions  
you could get a point of view  
from persons all over the world.  
The discussions centered around  
the theme "Better Living for a  
Better World." Most of the ques-  
tions were about communism or  
world peace.

At these discussions we had  
such speakers as Harold Stassen,  
president of the University of  
Pennsylvania, and W. Kerr Scott,  
governor of North Carolina.

One of the many highlights  
of the trip was meeting 4-H mem-  
bers from all over the United  
States, Canada, Alaska, Hawaii,  
Puerto Rico, and 11 foreign  
countries.

At banquets we had the plea-  
sure of meeting Dennis Day and  
many other celebrities. We heard  
many great orchestras play, such  
as Lew Diamond and his orches-  
tra and Tony Pastor and his or-  
chestra. We visited such places  
as the Triamion ballroom, the Art  
institute, Chicago museum of  
natural history, and museum of  
science and industry.

I want to express my sincere  
gratitude to the Allis-Chalmers  
manufacturing company which  
made my trip possible. They had  
a special banquet for garden  
winners in the Florentine room  
in the Congress hotel.

I also wish to thank all of the  
companies who gave banquets  
for the whole delegation.

I hope to share my experiences  
with others by giving talks at  
our 4-H meetings.

I have found, after talking to  
people from all over the world,  
we all feel that communism is a  
great danger to all nations.

I enjoyed my week in Chicago  
and I hope some day I might be  
lucky enough to go again, but for  
me a city is a place to visit. The  
country is, I think, the best place  
to live.

In closing I would also like to  
thank my parents, our club lead-  
ers, and county agent for help-  
ing to make this trip possible.
