**TIE UP HIS CHRISTMAS WITH PLEASURE** and we do mean "tie." Figures show that 85 percent of the ties sold throughout the year are bought by women which means that no matter what else, that man of yours will be getting from you this yuletide, his Christmas will be incomplete without some ties. With a hundred thousand color combinations and 40-thousand different patterns available, of which the above are representative, being "tied by you" this yule will give him sure satisfaction.

**WRAP HIM IN A ROBE THIS YULE**—and win his loving thanks on Christmas a. m. and for many a day to come. If he's got an eye for fashion, give him one of the new Tartan plaids. If traveling is his forte, select his robe complete with a compact carrying bag. And if he goes for comfort in a big way, then satisfy his yen with a smart flannel style.
