Physics Class Studies Pulleys

By BURL YOUNG
CHAMBERS—The world geography class has been studying mineral resources and has made six drawings at Chambers high school.

Applied mathematics class has studied units of measure and memorized two tables.

Eleventh grade English has been writing true and fictitious stories. There has been a lot of imagination used.

General science class has been studying the eye and its structure.

The physics class has been studying work and simple machines, experimenting with pulleys to find their mechanical advantage.

Algebra II has been studying factoring. The entire class has been having trouble with some of the problems.

The modern problems class has just finished giving reports on the foreign policy and in addition has covered a chapter in a book.

Eagle Creek Club Plans Yule Party

The Eagle Creek 4-H club met at the home of Betty Lou Curran Sunday, November 26.

Roll call was "What to Have for Future Roll Calls." Some good suggestions were given.

Plans were made for a Christmas party Sunday afternoon, December 17, at Gene O'Neill's home.

The club also decided on what projects each member was to take for the coming club year, determining to put forth as much effort as possible on each project.

THE ARMY NEEDS YOU!!

The United States Army needs red-blooded men now as it never has before.

Your future, the future of your family and the future of the United States is at stake. You, American Youth, are the only ones who can do something about it with your enlistment now in the U.S. Army.

TEAM WORK NEEDED!

Hundreds of specialized operations must be filled by you young men, the backbone of our country. Radiomen, cooks, electricians, drivers, mechanics, radar operators, carpenters, etc. are needed, and men with qualifications along those lines will be given additional Army training to develop themselves, and build a career.

THE U.S. IS US!

The United States is you—us—all of us. If you believe in your country—a free democracy that gives you every advantage in the world—an Army that gives you the best food in the world, clothes you, houses you and provides free medical and dental care as you train and learn, then you will take advantage of the opportunities offered by the greatest Army in all history.
