King Winter Spotlights King Cotton

THE arrival of King Winter is a cue for King Cotton to go north. Although generally considered a summer fabric, cotton has successfully stolen this year's snowy fashion scene by virtue of its light weight and versatility.

The cotton boucle tweed suit (right), for instance, makes a practical, crush-resistant travel costume. Featuring a belted, button-front blouse, the suit achieves graceful lines with a slim tapering skirt.

Black accessories, a gold choker and novelty bracelets further compliment the pert ensemble.

For the outdoor girl en route to a winter sports resort, a corduroy suit won accolades at the National Cotton Council showing in New York.

The New York designers teamed a boxy braid-trimmed jacket and slim skirt with a tattersall-checked corduroy weskit (left).

Light-colored gloves and a velvet-trimmed tailored felt hat gave added zest to the smart and practical outfit. And the jacket may be worn as a separate with harmonizing or contrasting skirt. The skirt, too, can do double duty in the wardrobe.

Both creations, previewed in New York, seem to indicate that Cotton is on the march and will henceforth move north for the winter as soon as the birds streak south.

Miss Elaine Ressel left Tuesday after spending the holidays here, for Children's hospital in Omaha where she will study for six weeks. She is from Bryan Memorial hospital in Lincoln.

All-Stars Win Tight One, 64-56

The College All-Stars basketball team lived up to their individual reputations Thursday night in the benefit cage game played here before a large crowd. The Stars spanked the O'Neill Lions amateur team, 64-56, in a heated battle which featured smooth passing and expert marksmanship.

The Stars jumped into an early 10-point lead which melted when Coach Arnie Doering's crew moved in front. Then the Stars came from behind to win.

Doering's team missed Elmer Blackbird's services and Jim Donohoe was ailing. Bill Miller and Bob Horner racked up 15 points apiece for the Stars. Bob Berigan, ex-St. Joe all-stater, was a key in the offense, tallied 10. Bob Matthews, ex-O'Neill great, won evening scoring laurels with 18 points.

Duffin-Daly Rites in Omaha Cathedral—The wedding of Miss Kathleen Ann Duffin and Charles William Daly, son of Mr. and Mrs. C. M. Daly, took place Saturday at 11 a. m. in St. Cecilia's cathedral in Omaha.

Rev. Ernest Graham performed the ceremony. The altar was banked with Christmas colors — red poinsettias and evergreen.

The bride's gown of ice blue satin was trimmed with venice lace, scattered with tiny rhinestones.

The skirt fell into a long court train. An ice blue French illusion veil was made with a matching lace tiara. Red roses with fernery formed the bride's bouquet.

Mrs. William J. Parker, sister of the bride and matron-of-honor, wore a gown of hyacinth blue chiffon velvet.

Miss Genevieve Keating, Mrs. William Bohan and Mrs. James Moylan, sister of the bridegroom, were bridesmaids. They wore gowns of cardinal red chiffon velvet and carried bouquets of white flowers.

Paul Bauch was best man. Ushers were William Quinlan, John Siampauss and Joseph Wolff. Mrs. Mary Fitzsimmons-Massey was vocal soloist.

An afternoon reception was held at the home of the bridegroom's parents. After a wedding trip South, the couple will live in Omaha.

The bridegroom's parents, Mr. and Mrs. Charles Daly, formerly lived in O'Neill and he is known here.

Mr. and Mrs. J. J. Harrington, of O'Neill, were among those from out-of-town attending.

3 CONTRACTS LET FOR WORK ON 281

Three contracts for the reconstruction of about 7 1/2 miles of U. S. highway 281 between O'Neill and Spencer were awarded Wednesday, December 20, by the state highway department at Lincoln.

These contracts for the reconstruction and relocation of 7.3 miles of 281 just south of the intersection with Nebraska highway 12 total \$324,558.45. Platte Valley Construction company, of Grand Island, was awarded two of the contracts, amounting to \$194,157.86.

The Grand Island firm will receive \$130,200.59 for grading work on the new highway and for grading and draming the detour route.

According to terms of the contracts, the culvert and bridge work is to be completed within 90 working days after April 16, 1951; and the grading is to be finished within 120 working days after May 7, 1951. Sundays, Nebraska legal holidays and days when weather and soil conditions or lack of materials prevent contractors from proceeding with at least five hours of normal work are not counted by the highway department as working days for contractors.

If a contractor does not complete a project within the period specified, as counted by the highway department, the costs of department engineering and supervisions for each day beyond the limit are deducted from the amount due that contractor.

State Sen. Frank Nelson, of O'Neill, has been actively pushing 281 development.

The grading will begin near Spencer about three-quarters of a mile east of the present route of 281. About five miles south of this point, the new highway will join the alignment of the present route. The 2 1/2 miles of highway at the southern end of the project will be reconstructed to modern standards over the present path of the road. The highway department estimates that the Devoss Brothers will move more than 500-thousand cubic yards of earth in their grading work.

The Wolbach contractors are to build a gravel-surfaced detour road alongside the portion of the highway which is to be reconstructed. North of this detour, traffic will continue to use the present highway until the new relocated route is completed.

Platte Valley is to build a multiple-span, deck steel girder bridge

MARY KRAMER, 78, Burial in Atkinson

ATKINSON—Funeral services were held Thursday morning, December 28, at 10 o'clock in St. Joseph's Catholic church at Atkinson for Mary Kramer, 78.

Miss Kramer was born in Bohemia and came to this country with her parents, Philip and Theresa Kramer, in 1874. The family settled in Columbus, but moved to Holt county a few years later. Many years of her life were spent as parish housekeeper. She served for a period of time at Fordyce, Clearwater and Bloomfield and at the time of her death—Tuesday morning, December 26—she was serving at Long Pine. Death was due to a heart ailment.

Reverend Grobel, who is retired and lives at Long Pine, had charge of the service, assisted by Rev. Robert Berry, also of Long Pine, and Rev. A. A. Lehman, of Atkinson. Burial was in St. Joseph's cemetery at Atkinson.

Pallbearers were Joseph and John Kramer, Conrad Straka, Harold Groff, Karl Bernt and Alouis Bewel.

DANCE SUMMERLAND at Ewing Sunday, Jan. 7 Music by JAC WINROTH and His Orchestra

Revealing Facts: Henry J. Wins Longest Stock Car Race

PROVES POWER, PEP, PERFORMANCE
Arlington Downs race track, Dallas, Texas, October 29, 1950 —THE NEW HENRY J left a lot of surprised racing drivers in the dust as it crossed the finish line to win the gruelling 250 mile dirt track championship event.

Proof of Quick Acceleration—

The rugged Henry J averaged almost a mile a minute during the 4 1/2 hour race—despite having to take a sharp skidding curve approximately every 30 seconds!

Proof of Toughness and Durability—

Other cars with less stamina fell by the wayside—for example—Car A with a broken wheel—Car B with connecting rod trouble—Car C with bearing failure—Car D with a broken rear spring— but the Henry J zoomed on at top speed to beat the second place car by two miles, and others by as much as 50 miles!

Proof of Mechanical Perfection—

The Henry J hood was not raised from start to finish. Think of it! Not one sign of engine trouble while racing a distance equal to that from Detroit to Chicago.

Proof of Gas Economy—

Only one short stop was made by the Henry J during the race—for a few gallons of gasoline after the car had raced 195 miles at a punishing pace.

Proof of Perfect Cooling—

Overheating—the major enemy of stock car racers—did not slow down the Henry J. Heat remained normal throughout the 250 mile race—never a cough or a sputter.

Proof of Total Superiority—

Of the 44 cars which started the race, only 16 were able to complete the 250 miles of pounding road torture, but the Henry J led the field, still in topnotch condition, as the race ended.
