

## Polio Drive to End February 9

The 1951 march of dimes campaign will end on February 9. Normally the fund-raising drive terminates at the end of January, but Mrs. Robert Martens, of Atkinson, county chairman, explained that the extension was needed to carry Holt county over its \$5,000 quota.

Climaxing the campaign will be the finals of the Holt county amateur contest to be held at the American Legion auditorium here. More than 41 entries had been filed until late Wednesday. Individuals and groups competed originally in the various communities in an elimination contest and only the winners will appear here.

The Atkinson Girl Scouts bested the Atkinson Boy Scouts in a mile of dimes contest. Firemen blew the city's sirens twice and the Scouts combed the respective sides of the principal streets.

The contest netted the polio fund \$165.95—the girls gathering \$98.07. Mrs. Barbara Milnar is Girl Scout leader; Rev. E. G. Hughes, Boy Scout leader.

Heading the Atkinson polio push are Mrs. Ivan Dickerson, chairman; Mrs. E. C. Weller, vice-chairman. Stuart polio leaders are Mrs. Don Krotter, chairman; Miss Alvara Ramm, vice-chairman.

O'Neill's campaign, under the guidance of Mrs. Merle Hickey with Mrs. Larry Johnson as vice-chairman, has hit the \$1,500 quota, but more collections are still being received.

Mrs. Martens said that the rural contributions have been slow in coming in and drive officials hope for a better response during the final days.

The rural response (by communities) follows:

O'Neill, \$110.05; Atkinson, \$71.90; Page, \$57.80; Ewing, \$8.60; Inman, \$3.60; Chambers, \$18.50; Emmet, \$24.00; Stuart, \$26.85; total—\$321.20.

### Rural Schools Collect \$364.90

Holt county rural schools have collected \$364.90 for the 1951 march of dimes campaign, it was announced Tuesday by Miss Alice French, county superintendent of public instruction. Miss French is in charge of the polio fund drive in the schools.

Miss French stated that over 83 percent of the schools have turned in their funds—"a wonderful record"—and her office is anxious to hear from the others.

Districts, name of the teacher and amounts collected follow:

Market Strong Despite Cold

Receipts on both hogs and cattle were light at the Thursday, February 1, O'Neill Livestock market. This was attributed to the extreme cold weather that prevailed over the region through sale day. But the market was good. Butcher hogs hit a top of \$22.00 and \$22.25.

There were quite a few cows on the market and the top price paid was \$22.50; some good light yearling steers hit \$36.00, and some light yearling heifers moved at \$33.00.

Despite the bitter cold the O'Neill auction Thursday had some mighty good prices.
