 We believe that our Lord has a job for all of us to do in helping to establish His kingdom on this earth. He can only use effectively those who are receptive to His guidance and revelation. We gain this receptiveness through the practice of our religion. The commonplace task of worshipping God every Sunday in His church, working and praying and giving for the support of His kingdom. With every prayer we offer, with every communion we make at God's altar—our responsibility increases for discipleship, and the greater becomes our capacity to know and understand God's will for us.
