**O'Neill's ARC Giving 'Grand'**

Holt county's 1951 American Red Cross membership and fund-raising drive crossed the two-thirds mark this week.

"But response from rural folks, who were solicited by direct mail, is badly needed to insure success of this year's drive," explained Mrs. Thomas J. Sullivan, of O'Neill, chairman of the ARC campaign.

"Rural people in all sections of the county have been slow with their memberships and other contributions," Mrs. Sullivan said. "But in O'Neill and at least two other towns, where door-to-door canvasses have been made, the results have been grand."

No figures were ready to be released Wednesday, because returns were still coming in.

Holt county's 1951 quota is \$2,035, but the demands on the ARC have mounted steadily since the quotas were established and the Holt chapter is determined to put the county well over the top.

Mrs. Virgil Laursen, wife of the Simonson post 93 American Legion commander, headed the door-to-door campaign in O'Neill where solicitation was quickly completed and "excellent" results.
