For air force: Duane A. Clarence, of Bloomfield; Roland J. Wills, of Emmet; Wayne G. Benash, of O'Neill; Fud Ferris, of Valentine; James A. Langan, of O'Neill; Richard L. Peterson, of Neligh; Charles R. Marston, of Walnut; George W. Pedersen, of Valentine.

These men have gone to Lackland air force base, San Antonio, Tex., for further processing, reassignment and training.

Sergeant Lyons stated that we can now handle a normal flow of air force applications and that any one can be sent immediately or in the very near future. He could not predict how long this would last because the state can not exceed a certain quota.

Lyons also said that 21-month enlistment periods are still open for the army and that one can choose and be guaranteed a selected technical school.

ARC DRIVE GOES WELL OVER QUOTA

Holt county's 1951 American Red Cross membership and fundraising drive has drawn to a close.

Generous residents enabled the county to exceed its quota by more than a thousand dollars. A total of \$3,116.51 was collected during the drive which was extended more than 2 weeks beyond the normal period to enable complete solicitation.

The national ARC headquarters fixed Holt's quota at \$2,035 but stressed that the quotas were established last year. Increased burdens were being placed on the Red Cross, headquarters said, and county chapters were urged to exceed their quota if at all possible.

Holt countyans, responding according to tradition, did just that.

Mrs. Thomas J. Sullivan, of O'Neill, county ARC drive chairman, Wednesday made her final report. The community breakdown follows (including the name of the community chairman):

PAGE (Mrs. J. R. Russell)	\$ 233.35
STUART (Mrs. Stanley Cobb)	213.50
EMMET (Mrs. P. W. McGinnis)	248.50
CHAMBERS (John Walter)	287.75
AMELIA (Miss Florence Lindsey)	37.00
ATKINSON (Mrs. Claude Humphries)	693.05
INMAN (Earl Watson)	136.00
O'NEILL (Mrs. Virgil Laursen)	1,262.36
Total	\$3,116.51

Mrs. Sullivan pointed out that most of the rural solicitation was accomplished by direct mail, and that rural contributions were credited to communities according to postoffice addresses.
