Attention, HAY MEN!

A SICKLE GRINDER, POWER DRIVEN, ELECTRIC OR GAS!
Something New — Something Useful

● Low cost operation, this machine grinds a seven-foot sickle in twenty minutes or less for the small sum of ten cents or less for operating cost! When operated according to directions, it WILL NOT BURN the section. And the section will maintain the correct bevel until worn out. This machine is safe to operate and can be operated by anyone old enough to work in the hay field.

● It is no longer necessary to take time off to take your sickles to town to get them ground. Just get a gas powered machine and grind them in the field or an electric machine and grind them at the shop. This machine was patented by the B.&N. Sickle Grinder Co., and is manufactured by the Henke Manufacturing Co., Columbus, Nebr.

GUARANTEED TO DO THE JOB, AND WILL SAVE YOU TIME, WORRY AND MONEY AND IS PRICED TO SELL.
