We'll Meet You at the  
**DIARY CALF EXHIBIT**

**AT THE 1951 HOLT COUNTY FAIR!**

*WHO SAID YOU CAN'T TEACH AN  
OLD DOG NEW TRICKS?*

PUT AN OLDTIMER behind the wheel of a modern John Deere Tractor for the first time. Show him the Powr-Trol lever that controls integral or drawn equipment hydraulically and let him make a few trials. He'll come back, grinning from ear to ear, with one enthusiastic comment—"Who said you can't teach an old dog new tricks?"

EVERYWHERE farmers are taking to Powr-Trol like a duck takes to water. And no wonder, for it's the greatest contribution to easier, faster, better farming made in recent years!
