

Plugge to Furnish Stock for Rodeo

Walter Plugge, well-known Wheeler county rancher, will have about 100 head of wild horses, bulls and calves at the annual Holt county fair and rodeo to be held at Chambers.

Rodeo dates are Friday and Saturday, August 31 and September 1.

"These animals are really wild," Plugge says. "The wild horses are fierce buckers and quite unpredictable in their actions."

The rodeo contestants will compete for approximately \$1,000 in prize money.

Contest will be conducted under RCA rules and will be viewed by professional judges.

Exercise Care in Fixing Dates—

Fair dates are established well in advance — usually about 6 months ahead of the exposition.

This year the officials of the Holt County Agricultural Society —sponsors of the annual Holt county fair—took special precaution to avoid direct conflict with the Antelope county fair at Neligh, neighbors on the east, and the state fair at Lincoln.

The Wheeler county fair and rodeo at Bartlett was held August 3-4-5 and officially opened the 1951 whirl of fairs and 4-H shows in Nebraska.
