Mrs. Schmitz served a lunch.—By Elaine Babutzke, news reporter.

Nebraska Really Makes Hay While the Sun Shines

Besides being one of the top states in grain and live stock production, Nebraska ranks even higher in hay yields.

Usually first in wild hay! One Nebraska county ships more hay than any other in the nation! Also first in brome grass seed, third in alfalfa, third in blue grass seed.

Your state rates equally high in the conduct of its taverns. Nebraska tavern owners are often commended for their efforts to operate in the public interest—efforts which have earned the respect and good will of the community.

Cooperating in the Foundation's continuing educational program, tavern owners now apply proved methods which are resulting in benefits to the community and to themselves.

NOTICE OF DRIVERS' LICENSE RENEWAL

- All drivers' licenses will expire on September 1st, 1951. Must be renewed within 60 days from that date to avoid taking another driving test, however no renewals can be written before September 1st. The new renewal licenses will carry the date of birth and not the age as before, so be sure when sending in for a renewal that the month, day and year of birth is written on the back side of the old license and also that the old license is signed. If the date of birth is not on the old license we will have to write back for the information as no license can be issued without this information, causing a delay in renewing the license. Examination days for new applicants are the 1st and 3rd Tuesday afternoons ONLY, of each month at the Court House in O'Neill. Fee for new and renewal licenses is \$2.00.
- Renewals can be made by mail, but be sure the date of birth is given.
