**Clearwater Creek Club 20-Years-Old**

On September 12, all members, ex-members and extra guests will meet at the home of Mrs. George Jefferies in Ewing to celebrate the 20th anniversary of the organization of the Clearwater Creek project club.

The first meeting was at the home of Mrs. Sidney Anderson on September 12, 1931. Other charter members were Minnie Wulf, Mae Trennepohl, Anna Taylor and Irene Briggs. Their membership drive resulted in 17 more members that fall. Now there are 27 members scattered over an area with a radius of over 10 miles. Visitors are always welcome so some meetings have over 40 present for the covered dish luncheon at noon followed by the project lesson.

The group has never been disbanded at any time. Meetings were held every month, rain or shine, until the first 3 months of 1949 when snow drifts were just too deep.

The family picnic is an annual event and eagerly awaited by young and old alike. A food sale and bazaar is usually held once a year to raise extra funds. There's also a Christmas party and gift exchange.

The club is well known for the helping hand it extends to members, neighbors and friends in time of sickness, sorrow or need. The group sends a large number of get-well cards, contributes generously to worthy causes and remembers shut-ins and orphanages with gifts. They've sponsored several projects which greatly benefit the entire community.

One member of the group who deserves special recognition is Mrs. Fred Maben, who has served as secretary-treasurer continuously for 19½ years.
