Hear Report on State Youth Camp

The O'Neill rural youth group met Friday evening, October 12,

at the courthouse annex. The observation of our annual parents' night was well attended by parents and friends. A report was given on our hay ride which was held September 30 at the home of Helen and Bob Martens.

A very interesting report on the national rural youth camp held in West Virginia recently was given by our state rural youth leader, Paul Kemling. He also informed us of the annual Omaha rural youth day to be held soon.

The November meeting will include election of officers who will assume their duties January 1. The nominating committee will meet Thursday evening, November 1, at the home of Mr. and Mrs. Grant Peacock.

After the meeting, Mr. Kemling showed slides from the state rural youth camp and Cliff Sobotka showed films of past rural youth activities.

Visitors were: Fred, Kathleen, Lydia, Willie and William Grothe, jr., Minnie McConnell, Mr. and Mrs. Leon Beckwith and Mr. and Mrs. G. Rzeszotarski, all of Emmet; Ida Schmuecker, Mr. and Mrs. J. B. Mellor and James, all of Atkinson; Mr. and Mrs. John Krysl, of Stuart; Mr. and Mrs. Elmer Trowbridge and Judith, and Mary Halstead, all of Page; Mr. and Mrs. Lloyd Whaley, Donald Engle, Ramona Wayman, Mary Schmitz, Patty and Doris Pierson and Eddie Price, all of O'Neill; Mr. and Mrs. Clyde Wengert, of Omaha; Caroline and Harold Meyer, of Beatrice; Gene Sobotka, of Ft. Riley, Kans., and Paul Kemling, of Lincoln.

Square and folk dancing were enjoyed by the group.—By club reporter.

There's a lot more to a JOHN DEERE than meets the eye

Take a good look at a John Deere Tractor. Notice the clean external design, the unexcelled operator view, the outstanding modernizations—Powr-Trol, Roll-O-Matic, and many others. These features are part of a great tractor story... the "inside" facts of John Deere design and construction make up the remainder. Stop by our store and learn the story of exclusive two-cylinder design—fewer, stronger, heavier engine parts for longer life, less wear... straight spur-gear transmission that means more power delivered at the drawbar... better weight distribution for better traction. Look, listen, then try a John Deere in the field, you'll find it unequalled on every count.
