O'NEILL GUN CLUB HOLD MATCH SHOOT

The match shoot held by the members of the O'Neill Gun Club at their club grounds last Sunday was a good one. The cold chilly wind made it rather disagreeable for the contestants as well as the spectators.

A large number of spectators are present at each shoot and considerable interest is manifest by those who do not participate in the events.

A banquet was held at the Gatz hotel last Monday evening which was given by the losers of contests held by the club on January 22nd, and on the 29th; as the Smith side lost both contests the Monday evening banquet settled both events.

Following is the result of last Sunday's shoot:

STATE OF NEBRASKA, LINCOLN February 2, 1928.

Mr. W. E. Conklin, County Treasurer, O'Neill, Nebraska.

Dear Sir: This is to confirm conversation with you over the telephone this morning, at which time I told you that you were right in charging \$15.00 for the first 4000 pounds gross load of trucks, plus 50c for each 100 pounds in excess of 4000 pounds. The law is very clear on this, and there is no question but what the course you are pursuing is strictly in accordance with the statutes.

Very truly yours,
DEPARTMENT OF PUBLIC WORKS
R. L. COCHRAN,
Secretary and State Engineer.

HERE IS A CHANCE TO LEARN ABOUT POWER FARMING

Special Entertainment To Be Given Free.

The O. F. Biglin Implement Company have completed all arrangements for their extensive Power Farming entertainments to be held on February 15th 1928, at the Biglin building.

They have made arrangements with the speakers, secured the motion pictures, and made arrangements for an appetizing lunch to be served at noon.

That part of the program dealing with the care of the tractor will be in charge of the International Harvester Company and will be thoroughly practical in every way. The men in charge have been handling tractors many years and not only know the tractor from the standpoint of theory, but can operate them and give you the benefit of their practical experience. They will be anxious to answer your questions.

Several reels of motion pictures will be shown. These pictures will bring to the people the latest methods of farming in other sections of the country.

Farming today is dependent on volume production—that is, the producing of more per person on the farm. By increasing the volume per person the cost of production is materially decreased. One of the objectives of this entertainment is to bring through pictures and otherwise, experiences of the outstanding farmers of the present day.

Tractors and other present-day equipment will be on display to offer a first-class study of the various mechanical features. Several new machines have been introduced in the past few years, some of which are making their appearance in our neighborhood for the first time. Come and see for yourself how these machines operate and what their effect will be on crop production.

Do not forget the date—every progressive farmer should be there. Make your plans now, bring the entire family, and spend the whole day. Be prompt.

J. H. MENKENS INJURED BADLY IN RUNAWAY

Suffering from a broken nose, torn upper lip, loss of several teeth and severe lacerations and bruises about his face, J. H. Menkens, O'Neill farmer, who was injured Sunday when his team ran away was taken to Norfolk hospital Monday morning where he is being given medical attention.

Menkens was hauling a small load of hay to some cattle on his farm when the team he was driving became frightened and strated to run away. After being thrown from the top of the wagon, Menkens was dragged for several yards.

As there is a possibility that infection might set in, attending specialists are unable to determine the outcome of Menkens' injuries at this time. Monday morning a local dentist and specialist treated Menkens whose condition was reported as fair. Mr. Menkens has experienced considerable hard luck; three years ago he suffered a broken arm.

Mr. Jones reports two new students who entered the High School, Virgil and Lita Johnson, who have been attending at Ansley, Nebraska. O'Neill High School defeated the Ewing team last Friday, by a score of 13 to 8. Captain Miller of the Ewing team who had been scoring from 12 to 30 points in his previous games was held down by Lorenz to only one field goal. The O'Neill guards played one of the best games of the season. Ewing had won nine straight games before losing to O'Neill.

The boys played Neligh at Neligh Wednesday, February 1st, and after the disastrous first quarter of the game, in which Neligh scored 12 points, the boys played a fairly good game, final score being 24 to 10. Too much over-confidence spelled defeat for the boys.

February 2nd is the date set for the Seniors to order class pins and rings.
