Petition.
January 18, 1928.
To The Honorable Board of Supervisors, Holt County, Nebraska.
Gentlemen: Charles A. Fisk, being of lawful age deposes and says that for the year 1926 the North West Quarter of 13-29-11 was assessed in School District 171 whereas it should have been in School District No. 116. He requests your honorable body to instruct the clerk to correct such assessment and correct the tax roll accordingly. He respectfully requests that the erroneous tax so collected be refunded to him.

Respectfully,
CHARLES A. FISK,
Subscribed and sworn to before me this 16th day of January, 1928.
(Seal) **E. F. PORTER,**
County Clerk.
By Grace Joyce, Deputy.
Mr. Chairman: Upon investigating the request of Charles A. Fisk for refund, it appears that the statements in the request are correct, therefore, I move you that the clerk be instructed to write a refund warrant in the amount of \$124.23 the amount over paid by him and that the same be charged to School District No. 171.

LIST OF NAMES WHO BOUGHT TICKETS FOR FIREMEN DANCE

The following are as near a complete list as possible of those who purchased tickets from the firemen for their annual dance. This was the first dance this department has put on in over twenty years as near as we can find out, the last one being given in the old skating rink, now being used by Sam Arnold as a laundry. This list was complete up until just before the dance, no record being kept of those who purchased tickets at the door that night.

FUNNY OLD WORLD.

It beats all what noticeable contrasts do develop in this old world of ours. One man is saving his money to build a home and another is trying to sell his for less than it cost to build it. One fellow is spending all he can make in taking a girl to the show and to dances, while another is using what money he has to get a divorce. One man escapes all the diseases we are heir to, yet gets killed instantly in an automobile accident; another escapes with only a scratch and dies with the whooping cough. One man stands off his creditors and goes traveling, while another stays at home and pays his debts. One man makes a nuisance of himself to all his neighbors by borrowing the home paper, while another subscribes for it and his troubles are ended. One man comes to the table in his shirt sleeves and is severely rebuked by his wife for not wearing a coat—her skirts are above her knees and her husband is vulgar. One man pays to get out of business and another does likewise to get in. The farmers want to live in town and the city resident thinks there's nothing like living on a farm. One man says he does not want to be president of the United States any more, and ten thousand immediately signify their willingness to accept it. That's the way it goes.
