**C. E. Stout Reelected
Mayor. Large Majority**

C. E. Stout, the present mayor of O'Neill was reelected to that office by a vote that will total over 200, when the mail votes are counted, it is estimated, over Dr. L. A. Carter.

Much interest and enthusiasm developed in the race throughout the day and as a result a very large vote was polled. Both men are quite popular and have been closely identified with the interests of the city in various ways. Mayor Stout was running for a second term.

The only other contest in the election was for members of the school board. Three candidates were running for the office with but two to elect; Miss Anna O'Donnell, G. E. Burge and Roy Warner were the contestants. Miss Anna O'Donnell was high with a vote of 514; G. E. Burge was second with 445; Roy Warner was third with 224.

The special bond election failed to carry by about 82 votes. There were 727 votes cast upon the issue of which 390 were for the bond and 337 were against. The law reads that 65 per cent of the votes cast are required for the bonds to carry which would be 472—82 short of the required number. The firemen and many of the citizens are greatly disappointed at the failure of the bonds to carry because of the need of an adequate place to house the fire equipment in a centrally located place in the city.

The following councilmen were reelected without opposition:

First Ward—W. H. Harty.
Second Ward—Thomas Brennan.
Third Ward—Morris Johnson.

Following is the vote by wards:
For Mayor— 1st 2nd 3rd
Stout 222 175 113
Carter 76 70 177

For City Treasurer—
Hancock 239 192 223
For City Clerk—

For Police Magistrate—
Enright 234 202 197
For Councilman—
Harty 240
Brennan 207
Johnson 219
For Members School Board—
O'Donnell 194 160 160
Burge 138 126 181
Warner 60 69 95

Bond Issue—
For 147 107 136
Against 116 108 113

The 34 mail ballots will not be opened and counted by the city council until Friday evening.

ST. MARY'S COMMERCIAL CLASS

The Commercial students from St. Mary's who attended the District Commercial Contest at Norfolk on March 31st, did honor to St. Mary's. John McCarthy won first rank in Bookkeeping with a grade of 99 per cent. The other two, Lucille Graham and Harlan Agnes made very creditable grades in the same subject, while

Lucille made a good showing in both Spelling and Shorthand.

Harlan Agnes netted 45.6 words a minute on the Underwood in the 15 minute Novice test in Typewriting, and John McCarthy followed next with 44.8 net words a minute. They ranked 10th and 11th respectively among the 37 contestants in that class.

In March, Frances Flanagan earned a gold pin on the L. C. Smith machine by writing 68 words per minute. Both John McCarthy and Harlan Agnes have earned the bronze award from the Underwood Typewriter Company by making 42 and 44 words, net, per minute on the March test. Other members of the typewriting class have won the primary certificates awarded for writing 30 net words per minute on a 15 minute test. This is a very creditable record for students who just started to type last September. Who knows, perhaps we may yet have a World Champion typist from O'Neill.

Those who placed in this contest will enter the State Contest to be held at York, Nebraska, sometime during the month of April.

**SHERIFF DUFFY'S SEDAN
GOES TO THE DITCH**

The Dodge sedan driven by Peter W. Duffy skidded from the road about four miles west of Emmet last Wednesday while enroute to O'Neill. The car settled against the embankment; the top was somewhat damaged and the glass was broken from both doors. The accident was due to the slippery roads. Peter was considerably shaken up but otherwise uninjured.
