MRS. JOHN DAMERO.

Mrs. John Damero passed away last Monday at the home of her daughter Mrs. George Syfe, of Phoenix, where she has made her home for some time

past. Frederika Voss was born in Schoneburg, Prussia, Germany, February 27, 1837; she came to America in 1857, and on February 8, 1861, she was united in marriage to John Damero, in Wolworth County, Wisconsin. In 1882 she came with her husband and family to Holt county and located upon a homestead a half mile south of the old Greeley postoffice where they resided for many years.

For a number of years Mrs. Damero has made her home among her children.

Her surviving children are Otto Damero, Aitkin, Minnesota; Frank Damero, Martin, South Dakota; Mrs. Amelia Stockwell, Butte, Nebraska; Miss Lena Damero, Sterling, Nebraska; Mrs. Edith Syfe, Harmon and John Damero, Phoenix, Nebraska; Ludwig and Emma are deceased.

Funeral services were held from the George Syfe home at two o'clock Wednesday afternoon. Burial was made in the Phoenix cemetery.

Mr. and Mrs. George Bay, Peter W. Duffy and M. H. McCarthy of O'Neill, were in attendance at the funeral services; the latter two were pall bearers.

CARD OF THANKS.

We wish to express our heartfelt thanks and appreciation for the assistance and many acts of kindness shown us during the illness and following the death of our dear mother, Mrs. John Damero.

C. & N. W. HAUL BIG CANDY SHIPMENT

An unprecedented volume of candy is now being moved out of Chicago, according to freight traffic officials of the Chicago & North Western Ry. Five solid trainloads, in addition to a large number of carloads, have been shipped by the Baby Ruth Candy Co. during the last thirty days, all loaded in the concern's own refrigerator cars.

The fifth special trainload de luxe, consisting of approximately 1,800,000 candy bars, left Chicago today for Western and Pacific Coast points, via the North Western.

There are a sufficient number of bars in this one shipment to supply every man, woman and child in the cities of Salt Lake, Billings, Great Falls and Helena, Montana, Seattle, Portland, San Francisco and Los Angeles, with one Baby Ruth each. If the sweets in the five trainload shipments were laid end to end, they would make a solid candy bar more than 550 miles long.

Sanitary Dairy Milk is Pasteurized and Clarified

Milk is indispensable as a food—essential for the physical development of growing children—necessary for health of adults. Use it! It is your best food but insist on pasteurized milk for safety's sake.

Clarification makes it absolutely free from impurities, removing all sediment and foreign substances.

Pasteurization destroys tuberculosis, typhoid, scarlet fever, diphtheria and other disease-producing bacteria and it greatly increases the keeping qualities of milk by arresting bacterial growth.

Many cities require compulsory pasteurization of milk. Authorities advocate it. Your doctor will endorse it. Surely, this is proof that you should select properly pasteurized milk for your home.

Sanitary Dairy Milk is superior because we are equipped to make it so. Visit our dairy and see how each sparkling particle is made a symbol of absolute purity. Phone your order today.
