#### STOP SIGNALS INSTALLED ON HIGHWAY NUMBER TWENTY

Wednesday afternoon the new "Stop" signs were placed on either side of the intersections along state and federal highway No. 20 through O'Neill. These "stop" signs are being placed the entire length of the highway and everyone entering the highway must come to a full stop or be in violation of the state law.

Chief of Police Scott Hough authorizes The Frontier to state that the "stop" law will be rigidly enforced and that everyone driving a car onto highway No. 20 will be required to stop before entering the intersection. Traffic upon the highways has the right-of-way, anyone driving onto the highway in violation of the "stop" signs are liable for any damages that might occur should there be a collision.

This bank carries no indebtedness of officers or stockholders.

Dr. McKee, vice commander of state department. State Commander Jean B. Cain. This is the first meeting of the kind that has been held in the east end of the sixth district. Other meetings that have been held have been at Valentine or towns further west making it inconvenient for the Posts in this end of the district to meet and get acquainted with the state officers. Much good can be accomplished by meeting each other and getting acquainted is the thought of the members of the Legion who were instrumental in holding this meeting.

## You can forget your roast with the automatic "FLAVOR ZONE" oven

**Westinghouse**

THE ONLY RANGE WITH THE AUTOMATIC FLAVOR ZONE OVEN

No need to manually labor and fuss for hours over a roast or oven dinner any more.

The Westinghouse FLAVOR ZONE oven browns and cooks automatically—without the least attention.

Just put your dinner—roast and vegetables—in the oven, make two simple adjustments, and then forget it. Don't go near the oven—don't touch the roast—until dinner time.

No other range, either fuel or electric, can perform first the browning and then the cooking operation under full automatic control. No other range can give you such complete freedom from the kitchen.

Come in and let us demonstrate this new and better cookery. No obligation.
