# **Percheron Stallon Gilbert Olbert**

## No. 166036

We will travel this stallion Gilbert Olbert No. 166036 in this part of Holt County again this year and the terms for his service will be \$13.00. \$1.00 Cash at time of service for each mare and \$12.00 to sure live colt. But to our patrons who were disappointed by not getting some of their mares in foal, we want to be fair, and will meet them half way, so will rebreed these mares for which we received the cash payment of \$1.00 last year and did not take up, again this year, if you so wish, without the \$1.00 at time of service and \$12.00 to insure live coult. We have a man well versed in the horse business to handle this stallion this year, and as this horse is climated now, we have reason to expect better results this year than heretofore.

We will do our best to accomodate every one we can, but should. anyone find it necessary to go to a little bother on our account, we will surely appreciate all favors shown us; we will also be very careful to avoid accidents but should any occur, we will not be reponsible. Any one from a distance whom we are not able to reach, wishing to breed mares to our stallion can bring them to our home and they will be well cared for. Don't be afraid to ask about us, hunt us up, or call us over the phone through Robertson switch, and we will do our best to help you.
