MEMORIAL DAY FITTINGLY OBSERVED IN O'NEILL

Memorial day services were held in the K. C. opera house Wednesday afternoon under the auspices of Simonson Post of the American Legion.

The exercises began at 1:30 o'clock with music by the O'Neill Concert Band. The line of march formed at the American Legion club rooms headed by the band followed a car in which was riding the one remaining old soldier of this city, Charles Wrede; members of the Legion and little girls bearing the flowers.

The program at the opera house began with Invocation by Rev. O. A. Fortune, pastor of the Methodist church followed by a song by St. Mary's Academy Glee Club and a reading "The Star Spangled Banner" by Miss Thelma Riley. The address was delivered by Judge Robert R. Dickson, who paid tribute to the departed soldiers of the different wars in which the American soldiers have taken part. He paid special tribute on this occasion to Charles Wrede, and mentioned the difference in the present day fighting equipment from that used in the civil war; he also paid high tribute to the soldiers of the Spanish American war and the World War.

A violin solo by Miss Ruth Scott followed the address. Music by the band concluded the program at the opera house. The line of march was again formed and proceeded to the cemeteries where the graves of the departed soldiers of all wars were appropriately decorated, while the band played a selection. G. E. Miles and C. W. Porter blew taps which closed the exercises.

O'NEILL TRIMS NELIGH'S ALL-SALARIED TEAM

O'Neill baseball fans are jubilant over the game at Neligh last Sunday when they defeated the Neligh all-salaried team 7 to 4 in an eleven inning game. The O'Neill team is composed of all home players with the exception of Honeycutt, the pitcher, whose home is at North Loup, Nebraska. Honeycutt, is employed at Sunset Lodge and will remain here this year. Neligh has an aggregation of ball players from the Norfolk state league.

The game was won from Neligh with two men out and two strikes on the batter, the crowd had arisen and were starting home when Edmond O'Donnell, a pinch hitter lined one down past first for a safe hit scoring a man on third. A couple of safe hits tied the score. A rally in the eleventh won the game.

Quincy, the Gordon twirler, pitched for Neligh. The O'Neill boys were hitting him regularly, but were unable to place their hits.

The write-up from Neligh and published below credits O'Neill with only 9 hits while the score book shows that O'Neill lined out sixteen safe ones. Honeycutt struck out every man on the team which is a very unusual occurrence, especially on a strong team like the Neligh bunch.

The following account of the game taken from the Monday issue of the Norfolk News tells the story:

"Neligh Neb., May 28. After being shut out for nine innings, O'Neill tied the score when Neligh outfielders made two errors in succession and the local first baseman lost the ball, and in the eleventh the Irish won the game here when Quincy weakened and allowed five hits that netted four runs. The final score was 7 to 4.

"This was the second game of the season for the home team and a good crowd of fans were in attendance. The Neligh boys played a good game for nine innings and then it was a race to see which individual of the team could make the most errors. It was apparent to the fans that Quincy for the locals was off form, as he was only credited with four strikeouts during the entire eleven innings.

"Score by innings:
O'Neill 000 000 003 04-7
Neligh 001 002 000 01-4
"Batteries: O'Neill—Honeycutt and Schoemeier; Neligh—Quincy and Tilton. Struck out by Honeycutt, 12; Quincy, 4. Hits—O'Neill, 9; Neligh, 9. Base on balls off Honeycutt, 1; Quincy, 3. Umpires, Anderson of Oakdals and O'Fallen of Neligh.
